**Interlocking laptop Worktop**

Turn your Geni-cart into a laptop cart with our new interlocking security work surface which encloses and locks your laptop into the cart. The laptop is neatly hidden away only allowing the screen to be visible while providing a usable workspace, and adequate equipment fanless ventilation.

**Keyboard Tray - 2019 Edition**

Easy to use, easy to hide, keyboard tray and mouse pad combo. Our slim compacted design neatly hides the keyboard tray when not in use. In our new model the mouse tray can be fully extended at all times.

**Drawers & Keyboard**

Combine the space saving attachments to give you more room for essential storage. Our selections of drawers comes in both small (as shown) & larger as well as having multiple configurations.

WOW-040D-0547-O (Non Powered)

**Available Cart Shelving**

Attach multiple shelves to create more space for device placement and document placement. With an additional platform you can make better use of your cart's space.
